¹ If the policy is issued within 60 days of the application received date, then the parameters used for the first index date after issue will be the greater of the rates in effect on the date the application was received or the rates in effect on the date the policy is issued. Policies issued more than 60 days after the application received date will use parameters in effect at the time of issue. For applicable fixed annuities, the 1st Year Rate only applies to the initial premium.

Option A: Annual Reset with Monthly Average

Option D: Annual Reset with Monthly Cap

Option J: Annual Point to Point
