

Lifetime Deductible for Dental Services Saves You Money

How the lifetime deductible works

When your dental plan comes with a lifetime deductible*, each member pays the deductible amount only one time for as long as they are covered by the plan. There's no family maximum deductible — just a one-time, per-person deductible that saves you money in the long run.

For plan information any time, visit ameritas.com and sign in to your secure member account. Or download the Ameritas Benefits app, available for iOS and Android. Log in with the same user ID and password you use for your secure member account.

Lifetime savings for a family of four

1st year: Deductibles = \$200
\$50 deductible x 4 members

2nd year: Deductibles = \$0
Savings after two years: \$200

3rd year: Deductibles = \$0
Savings after three years: \$400

And the savings continue.
